

Science Enrichment Program (SEP)

What is SEP? It is the joyful journey of GBSTA with motivated students like you since 2015 towards learning conceptual science through workshops, activities, field trips and discussions along with lots of experiments. Students enjoy hands on activities individually and in groups. They make like minded friends and develop note making skills.

They are encouraged to appear for NSEJS i.e. first level of IJSO conducted by IAPT.

- # 3 Year integrated program.
- # From std. 7th to 9th.
- # 32 Sundays / academic year
- # Centers: Mumbai / Pune

ONLINE ORIENTATION IN THE MONTH OF APRIL 2026

Our alumni Selected at various levels of NSEJS, Astronomy and Biology Olympiads and placed at prestigious institutes in India and abroad

Science and Environmental Education Center (SEEC)
Location: Jambhulpada, Mangaon, Taluka Sudhagad, DIST. RAIGAD.
(150 km away from Mumbai)

GBSTA wishes to take the cause of science popularization further through proposed center. A place where children have opportunity to explore, experience and understand, teachers can undertake small projects and layman can blow the dust from what they had learnt long ago and re-live their childhood.

Proposed Plan:

- ★ Laboratories, Library, Museum, Amphitheater, Planetarium, activity cum lecture rooms etc.
- ★ Landscaping for Water reservoirs, Nature trails, student activities, kitchen garden etc.
- ★ Facility for Parking, Stay, Dining, admin block, store room, Laundry etc.

We already have:

- *Fencing * Electricity supply * Borewell
- * More than 200 trees with drip irrigation.

Full time caretaker to look after these facilities.

YOUR SUPPORT MEANS A LOT!
Contribution to our cause is covered under 80G!
